## Going Public:

### *Baptisms in the Student Ministries' Worship Service*

This morning, we celebrate with the following middle school and high school students who are "going public" with their faith in Christ: Parker Mercer, Kyle Pfeifer, Audrey Stemann, Claire Stemann, Sydney Snowden, Sophie Maize, Brooke Preas, Casey Fleming, Kathryn Whitehead, and Ashlin Rakhra.

### *Welcome, College Students!*

This morning, after a wild start to the semester compliments of Hurricane Irene, we're glad to welcome new and returning college students to worship with us! Two local college professors and their wives started the Chapel in 1976; the college community remains a vibrant part of our church family and ministry today. **Evan Muro, Director of College Ministry** ([emuro@wchapel.org](mailto:emuro@wchapel.org), 229-7152) is on staff full-time to provide focused, intentional service to our college community. **Students, two events are being held today in your honor.** Between services, visit the Student Ministries' office for a **Welcome Back Reception** and come to the **Welcome Back Cookout** at 1:00 p.m., at Evan's house (219 Robertson Street). Take advantage of these opportunities to meet Evan and get connected with other students and the Chapel family. Note: In case of rain, the cookout will be held at the Chapel in the Student Ministry office.

### *Wilson Sims: Pastoral Intern*

This morning, we are glad to welcome Wilson Sims to the Chapel staff team as our 15th Pastoral Intern. The internship was created by a member of the Chapel family with a passion for helping young people receive valuable ministry training experience and to develop future ministry leaders. Four current staff team members once served as pastoral interns: Jon Ritner (Associate Pastor), Luke Kincaid (Director of Middle School Ministry), Josh Parker (Assistant Director of Congregational Care) and Scott Parks (Assistant to the Executive of Administration).

Wilson has an older sister, Slaton, and a younger brother, Raleigh, and is a graduate of Auburn University. Wilson has traveled extensively, including through all of the continental states and much of Western Europe and North Africa. Now, he lands here in Williamsburg for a year of focused ministry training and service. "Each step of my education, travels, and spiritual journey has taught me that I don't know nearly as much as I thought I knew. I sought a next step that would emphasize 'learning and serving.' I've already begun to understand that I've not only found such a next step, but also such a church." Welcome, Wilson!

## ***ICM is 25!***

International Cooperating Ministries (ICM) grew out of a friendship between our Pastor Emeritus, Dick Woodward, and ICM's founder, Dois Rosser. God leveraged their friendship and Dick's Mini Bible College (MBC)—a devotional survey of the entire Bible—to begin a miraculous global work of sharing God's Word and nurturing believers. Today, the MBC is available in 26 languages to a potential audience of more than four billion people. In partnership with in-country ministry leaders in 58 countries, more than 3800 church buildings have been built or are under construction. ICM is the Chapel's flagship global ministry partner. This year, International Cooperating Ministries (ICM) celebrates 25 years of "nurturing believers and assisting church growth worldwide."

Next Saturday, September 10, ICM will host a gala event at the Ferguson Center to celebrate their silver anniversary. On Sunday morning, September 11, some of ICM's international ministry partners will be our guests. Visit with ICM representatives in the Central Foyer today to learn more about ICM, MBC, and how to participate in the anniversary celebration.
