Materials Needed: Bible, DVD & Discussion Booklet

Today's generation demand a new format for getting Christian perspectives. Nooma is the new format. It's short films with communicators that really speak to us. Concise and to the point, 10- to 14-minute DVDs tackle topics like forgiveness, discipleship, and unconditional love, making biblical truths vivid and relevant for today's generation. A great way to spark meaningful discussion in your small group! Each DVD features between 10 and 14 minutes of running time and subtitles in English, French, German, Korean, Mandarin, Portuguese, and Spanish.

Each film is packaged with a 32-page discussion book with questions, related Scripture passages and quotes from the film.

This curriculum is video-based. Each small group will need one DVD and at least one discussion booklet.

There is one DVD with a discussion book of each study available for lending in the Resource Center.
